

think you've got equality?

Did you know that the federal amendment to guarantee women and men equal rights under the US Constitution was defeated in 1982?

Did you know that Minnesota has NEVER been able to get an amendment to our state Constitution put in front of the people of Minnesota?

WHAT is the Minnesota C.A.F.E.?

C.A.F.E. stands for Constitutional Amendment For Equality. It is a CHANGE to our state constitution that would make it finally read : ***"Equality under the law shall not be abridged or denied on account of sex."*** Yes, we are simply talking about women and men being equal under our Constitution. Period.

WHY is this necessary?

Is legislation enough? Are equal rights between men and women not important enough to be protected and upheld in our State Constitution? The US Supreme Court has recently ignored 40 years, even 100 years of legal precedent in recent decisions. Advancements in gender equality could be rolled back next!

HOW do we do this?

We invite YOU to become a member of the Coalition to pass the Minnesota C.A.F.E. With a united, diverse group of members from all walks of life and all corners of Minnesota, the Coalition will seek public awareness & develop a legislative strategy to guarantee this will be placed on the ballot statewide in the elections in November 2010.

NOW is the time for YOU to support the campaign to pass a constitutional amendment for gender equality to our Constitution.
